## Hill International Names Emmanouil Sigalas Managing Director for Southern Europe

May 17, 2018

**PHILADELPHIA, PA and ATHENS, GREECE – May 14, 2018** – Hill International (NYSE:HIL), the global leader in managing construction risk, announced today Emmanouil Sigalas, currently Hill's Vice President & Country Manager, Greece, has been promoted to Vice President & Managing Director, Southern Europe. He will be responsible for operations in Greece, Cyprus, Italy, and Albania.

"This promotion is a reflection on Emmanouil's performance and the leadership and vision he has provided for more than a decade with Hill," said John Milano, PE, Senior Vice President & Managing Director, Europe. "Emmanouil brings the right experience to improve our operations, and to build on the work accomplished to date in Southern Europe."

Added Milano, "The promotion also falls in line with a reorganization of Hill's European operations into four sub-regions. This structure allows for more efficient and effective operations by promoting further collaboration across regions and sharing of best practices."

Sigalas, who joined Hill in 2005, has nearly 15 years of construction industry experience with expertise in project management, estimating, scheduling, and claims analysis. He has delivered multi-million-dollar projects in the hospitality, infrastructure, and commercial sectors, among others. Most recently, Sigalas was instrumental in winning the Ledra Hotel Redevelopment Project where Hill is providing project management support to the 5-star property.

A member of the Technical Chamber of Greece, Sigalas holds an M.E. in Civil and Environmental Engineering from the Massachusetts Institute of Technology and a Diploma in Civil Engineering from the National Technical University of Athens, Greece.

Hill International, with more than 3,000 professionals in more than 50 offices worldwide, provides program management, project management, construction management, and other consulting services to clients in a variety of market sectors. *Engineering News-Record* magazine recently ranked Hill as the eighth-largest construction management firm in the United States. Certain statements contained herein may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information, the matters set forth herein including, but not limited to, any projections of revenues, earnings or other financial items; any statements concerning our plans, strategies, and objectives for future operations; and any statements regarding future economic conditions or performance, are forward-looking statements. These forward-looking statements are based on our current expectations, estimates, and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results to differ materially from estimates or projections contained in our forward-looking statements are set forth in the Risk Factors section and elsewhere in the reports we have filed with the Securities and Exchange Commission, including that unfavorable global economic conditions may adversely impact our business, our backlog may not be fully realized as revenue, and our expenses may be higher than anticipated. We do not intend, and undertake no obligation, to update any forward-looking statement.
