## Hill International to Resume Trading on the NYSE on October 18, 2018

October 16, 2018

PHILADELPHIA, Oct. 16, 2018 (GLOBE NEWSWIRE) -- Hill International ("Hill" or "the Company"), the global leader in managing construction risk, announced today that, as a result of becoming current in its periodic reports filed with the Securities Exchange Commission, it has received notice that the New York Stock Exchange will lift its suspension on the trading of the Company's common stock, resume trading of the Company's common stock, effective Thursday, October 18, 2018, under the Company's previous ticker symbol, "HIL," and will no longer pursue delisting proceedings against the Company. The Company's common stock has been trading since August 14, 2018 on the OTC Pink market under the symbol "HILL."

### About Hill International

Hill International, with approximately 2,800 professionals in more than 50 offices worldwide, provides program management, project management, construction management, and other consulting services to clients in a variety of market sectors. *Engineering News-Record* magazine recently ranked Hill as the eighth-largest construction management firm in the United States. ### Forward Looking Statements

Certain statements contained herein may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information, the matters set forth herein including, but not limited to, any statements of belief or intent, any statements concerning our plans, strategies, and objectives for future operations; and any statements regarding our intent to file late periodic reports or relisting on a national securities exchange, are forward-looking statements. These forward-looking statements are based on our current expectations, estimates and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates, and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results to differ materially from estimates or projections contained in our forward-looking statements are set forth in the Risk Factors section and elsewhere in the reports we have filed with the Securities and Exchange Commission, including that unfavorable global economic conditions may adversely impact our business, our backlog may not be fully realized as revenue, our expenses may be higher than anticipated, and the review of the Company's accounting, accounting policies and internal control over financial reporting, and the preparation of and the audit or review, as applicable, of filings may take longer than currently anticipated or additional restatement adjustments may be identified. We do not intend, and undertake no obligation, to update any forward-looking statement.
