## Alex Ramos Promoted to Vice President and Managing Director for Western Europe

October 22, 2018

**PHILADELPHIA, PA and MADRID, SPAIN – October 22, 2018 –** Hill International (NYSE:HIL), the global leader in managing construction risk, announced today the promotion of Alex Ramos to Vice President & Managing Director, Western Europe.

“Alex brings a wealth of international experience to his new role,” said John Milano, PE, Senior Vice President & Managing Director, Europe. “He has provided successful design engineering, project management, construction management, and commissioning of projects across Europe, including in Spain, the UK, Netherlands, Switzerland, Belgium, and the Czech Republic, as well as locations, such as Australia.” Added Milano, “I am confident Alex will lead our extremely capable and competent Western Europe team to further profitable growth and expansion into new market sectors and services.”

Ramos joined Hill almost three years ago as the Operations Director for the UK, and later served as Operations Director for Western Europe. He has lead our growth with clients such as Nike, the United Nations, and Marriott, among others. His market expertise focuses on buildings, both public and private, as well as infrastructure and oil and gas.

Ramos earned a Master’s Degree in Civil Engineering from the University of Glasgow, UK. He is professionally qualified as a Chartered Engineer (CEng) in the UK and is a registered engineer in Spain (ICCP).

### Forward Looking Statements

Certain statements contained herein may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information, the matters set forth herein including, but not limited to, any statements of belief or intent, any statements concerning our plans, strategies, and objectives for future operations; and any statements regarding our intent to file late periodic reports or relisting on a national securities exchange, are forward-looking statements. These forward-looking statements are based on our current expectations, estimates and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates, and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results to differ materially from estimates or projections contained in our forward-looking statements are set forth in the Risk Factors section and elsewhere in the reports we have filed with the Securities and Exchange Commission, including that unfavorable global economic conditions may adversely impact our business, our backlog may not be fully realized as revenue, our expenses may be higher than anticipated, and the review of the Company's accounting, accounting policies and internal control over financial reporting, and the preparation of and the audit or review, as applicable, of filings may take longer than currently anticipated or additional restatement adjustments may be identified. We do not intend, and undertake no obligation, to update any forward-looking statement.
