

Hill International

Todd Cooper Named Senior Vice President for Hill International, Inc.

January 21, 2019

PHILADELPHIA and COLUMBUS, Ohio, Jan. 21, 2019 (GLOBE NEWSWIRE) -- Hill International (NYSE:HIL), the global leader in managing construction risk, announced today Todd Cooper, PE, LEED AP, CCM, has been promoted to Senior Vice President. Mr. Cooper, based in Hill's Broadview Heights and Columbus, OH, offices, will be responsible for overseeing all of Hill's projects throughout Ohio and Michigan.

Mr. Cooper, formerly a Vice President, joined Hill in 2002, and has more than 20 years of experience, with a focus on and specializing in public facility, educational, industrial, highway and bridge, and many other types of projects. On his projects, Mr. Cooper is known for enforcing best practices across the entire team, and helping to identify and correct potential cost overrun and risk situations.

"Todd has been a proven performer and leader for Hill for more than a decade and this promotion reflects our confidence in him," said Michael Griffin, PE, Hill's Regional President, Americas. "He has helped Hill sustain continued growth in Ohio while delivering major projects for key clients such as the Ohio Department of Natural Resources, the Ohio Facilities Construction Commission, the Ohio Turnpike and Infrastructure Commission, the City of Columbus, the Ohio Department of Transportation, and the General Services Administration. In addition, Todd has earned the trust and respect of Hill's employees, our clients, and other consultants, which will be critical for our continued growth in Ohio and the Mid-West."

Mr. Cooper holds a Master's in Civil Engineering and a Bachelor's of Science in Civil Engineering from Case Western Reserve University, and is a registered Professional Engineer in Ohio, Florida, Kentucky, and Michigan. He is also a LEED Accredited Professional and a Certified Construction Manager.

About Hill International

Hill International, with approximately 2,700 professionals in more than 50 offices worldwide, provides program management, project management, construction management, and other consulting services to clients in a variety of market sectors. *Engineering News-Record* magazine recently ranked Hill as the eighth-largest construction management firm in the United States. Forward Looking Statements

Certain statements contained herein may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information, the matters set forth herein including, but not limited to, any statements of belief or intent, any statements concerning our plans, strategies, and objectives for future operations; and any statements regarding our intent to file late periodic reports or relisting on a national securities exchange, are forward-looking statements. These forward-looking statements are based on our current expectations, estimates and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates, and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results to differ materially from estimates or projections contained in our forward-looking statements are set forth in the Risk Factors section and elsewhere in the reports we have filed with the Securities and Exchange Commission, including that unfavorable global economic conditions may adversely impact our business, our backlog may not be fully realized as revenue, our expenses may be higher than anticipated, and the review of the Company's accounting, accounting policies and internal control over financial reporting, and the preparation of and the audit or review, as applicable, of filings may take longer than currently anticipated or additional restatement adjustments may be identified. We do not intend, and undertake no obligation, to update any forward-looking statement.
