Hill International, Inc. Names Patrick McGarry Vice President

January 25, 2019

PHILADELPHIA, PA and PHOENIX, AZ – January 25, 2019 – Hill International (NYSE: HIL), the global leader in managing construction risk, announced today Patrick McGarry, CCM, has been promoted to Vice President. Mr. McGarry will be responsible for overseeing all of Hill's projects throughout Phoenix.

Mr. McGarry, formerly a Senior Project Manager, joined Hill in 2017, and has more than 30 years of experience, specializing in pre-construction, sustainability, and energy efficiency throughout the transportation, education, and sports and entertainment market sectors. On his projects, Mr. McGarry is an engager and facilitator, supporting the client and helping Hill's professionals realize the ultimate goals of delivering cost-effective, safe, and high-quality projects as efficiently as possible.

"Patrick thrives on delivering interesting projects; office buildings, arenas and stadiums, themed environments, renewable energy projects, parks, and schools and pools" said Michael Smith, Hill's Senior Vice President & Western Region Manager. "It's not the size or undertaking of the project that interests him, but the impact of the project. He has helped Hill deliver major projects for key clients. Patrick has a deep passion for the industry, and we look forward to his success leading our Phoenix operations."

Mr. McGarry holds a Bachelor's Degree in Civil Engineering from Illinois Institute of Technology. He is also a Certified Construction Manager.

About Hill International

Hill International, with approximately 2,700 professionals in more than 50 offices worldwide, provides program management, project management, construction management, and other consulting services to clients in a variety of market sectors. *Engineering News-Record* magazine recently ranked Hill as the eighth-largest construction management firm in the United States. Forward Looking Statements

Certain statements contained herein may be considered "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, and it is our intent that any such statements be protected by the safe harbor created thereby. Except for historical information, the matters set forth herein including, but not limited to, any statements of belief or intent, any statements concerning our plans, strategies, and objectives for future operations; and any statements regarding our intent to file late periodic reports or relisting on a national securities exchange, are forward-looking statements. These forward-looking statements are based on our current expectations, estimates and assumptions and are subject to certain risks and uncertainties. Although we believe that the expectations, estimates, and assumptions reflected in our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Important factors that could cause our actual results to differ materially from estimates or projections contained in our forward-looking statements are set forth in the Risk Factors section and elsewhere in the reports we have filed with the Securities and Exchange Commission, including that unfavorable global economic conditions may adversely impact our business, our backlog may not be fully realized as revenue, our expenses may be higher than anticipated, and the review of the Company's accounting, accounting policies and internal control over financial reporting, and the preparation of and the audit or review, as applicable, of filings may take longer than currently anticipated or additional restatement adjustments may be identified. We do not intend, and undertake no obligation, to update any forward-looking statement.
