## Hill International Reschedules Release of Fourth Quarter and Full Year 2018 Financial Results and Conference Call and Announces Annual Stockholders Meeting Date and Stockholder Proposal and Nomination Deadline

March 13, 2019

PHILADELPHIA, March 13, 2019 (GLOBE NEWSWIRE) -- Hill International (NYSE:HIL), the global leader in managing construction risk, announced today that the release of its financial results for the fourth quarter and full year ended December 31, 2018 will be delayed. The financial statement audit is taking slightly longer than planned, primarily due to the lack of interim audit work performed throughout the year while the Company focused on the restatement of prior financial reports. The release was originally scheduled for Wednesday, March 13, 2019.

Todd Weintraub, Senior Vice President and Chief Financial Officer, stated: "We are almost complete with our audit and expect to file in the very near future. Unfortunately due to the lack of interim audit work performed during the year, we had to do more work after the end of the fiscal year and that has slightly delayed the completion of our audit. We expect to file in the very near future."

The new release date is expected to be within the 15-day automatic extension period available to the Company and will be announced when finalized. Raouf Ghali, Hill's Chief Executive Officer, and Todd Weintraub, Senior Vice President and Chief Financial Officer, will host a conference call the morning following the release at 8:30 a.m. Eastern Time to discuss the results.

The Company also announced that the Company's 2019 Annual Meeting of Stockholders will be held on Tuesday, June 11, 2019 at 11:00 a.m. Eastern Time. The Company's Bylaws provide that a stockholder may propose business for consideration or nominate persons for election to the Board without seeking to have the proposal included in the Company's proxy statement, so long as the Company receives advance notice of such proposal or nomination. Since the 2019 Annual Meeting is advancing by more than 30 days from the anniversary date of last year's Annual Meeting, the Company's Bylaws require that notice of such proposals or nominations for the 2019 Annual Meeting be received by the Company no later than March 23, 2019. Any notice must satisfy the requirements in the Company's Bylaws applicable to such proposals or nominations. The Company intends to timely file with the SEC and send to stockholders proxy materials in connection with the 2019 Annual Meeting, including the official notice to stockholders.
