PHILADELPHIA and BOSTON, June 06, 2019 (GLOBE NEWSWIRE) -- Hill International (NYSE:HIL), the global leader in managing construction risk, announced today that CEO Raouf Ghali and CFO Todd Weintraub will present at the East Coast IDEAS Investor Conference on Wednesday, June 12, 2019 at the Westin Boston Waterfront in Boston, Massachusetts. Hill's presentation is scheduled to begin at 1:40 EDT. The presentation will be webcast live and may be accessed at the conference website, www.IDEASConferences.com. "The IDEAS conference gives us an opportunity to tell Hill's story, and we think it's a good story," said Mr. Weintraub. "Hill is growing, profitable, and winning work around the world. A perfect storm of events hit our company in 2018, but we've already turned the corner in 2019. During our presentation we'll dive into the details as to how we made this happen, and how we're going to maintain our momentum going forward."

Mr. Ghali concurred. "Hill's entire business is founded on helping our clients manage their construction programs and projects. We do this by protecting them from the many risks inherent in the construction process itself, by committing talented, best-in-class industry professionals, and by leveraging our decades of success on mega-projects of all types, in all markets. Now that we are re-focused on this core business, profitability and revenue are again rising for Hill, and doing so sustainably."

Mr. Weintraub's and Mr. Ghali's presentation will focus on Hill's recent history, the strength of the company's fundamentals, and the outlook for its regions and markets for 2019 and beyond.
