Explanation of Responses:

Remarks:

On June 28, 2006, as a result of certain calculations by the company, the reporting person tendered an insufficient number of shares to the company to satisfy a tax withholding obligation. On October 30, 2006, the company issued a replacement stock certificate to the reporting person for a number of shares that is lower than the number reflected in the report filed previously, as a consequence of the full satisfaction of the withholding obligation
