Doha, Qatar -- Hill International, Inc., the worldwide construction consulting firm, has announced that a subsidiary company, Hill International (Middle East) Ltd., has been awarded a contract by Platinum Tower Co. to provide project management services during the construction of the Al Bidda Tower in Doha, Qatar.

The QR 300 million (US\$85 million) skyscraper will be a tornado-shaped, 43-story, 215-meter commercial office tower with a prominent location in West Bay Doha. The skyscraper will contain more than 70,000 square meters of total built-out space and more than 41,500 square meters of net rentable space.

"It is exciting to participate in a project that will significantly alter the skyline of Doha," said Raouf S. Ghali, President of Hill's International Project Management Group. "Hill is honored to have been selected as project manager and excited about beginning work on this landmark tower," Ghali added.

Hill International, with nearly 700 employees in 21 offices worldwide, provides program management, project management, construction management and construction claims services. Engineering News-Record magazine recently ranked Hill as the 18th largest construction management firm in the United States. For more information on Hill, please visit our website at www.hillintl.com.
