Ladies and Gentlemen:

Hill International, Inc. (the "Company") submits the following responses to the comments raised in your letter dated February 1, 2022 with respect to the Company's Annual Report on Form 10-K for the Fiscal Year Ended December 31, 2020 and the Company's Form 8-K filed on November 8, 2021. In order to facilitate your review, the Staff's remaining comment is set forth in full below, followed by the Company's response thereto.

Item 2.02 Form 8-K Filed November 8, 2021
Exhibit 99.1, page 1

1. *We have reviewed your response to comment 2. If profit measures or other amounts are presented as a percentage of revenue here or in your Forms 10-K or 10-Q, they should be shown as a percentage of total revenue and not as a percentage of consulting fee revenue. In addition, your revenue discussions of dollar amounts should include total revenue and not consulting fee revenue in isolation.*

COMPANY RESPONSE: The Company acknowledges the Staff's comment and respectfully advises the Staff that, (i) if profit measures or other amounts are presented as a percentage of revenue in its future earnings releases or in its future Forms 10-K or 10-Q, the Company will show such profit measures or other amounts as a percentage of total revenue and not as a percentage of consulting fee revenue, and (ii) the Company's revenue discussions of dollar amounts will, in the future, include total revenue and not consulting fee revenue in isolation.
